**RULES OF PROCEDURE FOR CONDUCTING PUBLIC HEARINGS**

**Procedure When No Speaker is Present**

If no one is present to speak to a matter which requires a public hearing, Council may:

1. hear an introduction of the matter from the Administration, ask relevant questions on the issue, and then vote to conclude the public hearing.
2. decide not to conclude the public hearing due to the fact the person causing the hearing is not present. Any member may move a motion to recess the said hearing to a future day and time when such person can attend.

**Debate and Decision**

In the case of applications under The Planning Act such as variation and conditional use applications, the debate and decisions must occur under the Order of Public Hearings directly following the hearing being concluded. Council may then decide to:

- (1) reject or approve the application whereby the approval may be with or without conditions; or
- (2) refer the application to another meeting for further consideration and final decision.

In the case of the Financial Plan the debate and decision must occur under the Order of General Business without a referral motion to that order of business.

In the case of any matter to which a by-law applies, the debate and readings of the by-law must occur under the Order of By-laws without a referral motion to that order of business. Under the Order of By-laws, Council may refer the by-law to another meeting for further consideration and readings.
