

2018 CITY COUNCIL ENQUIRIES

January 22, 2018 City Council Meeting

(283) **BACK LANE STRATEGY - UPDATE**

Councillor Chaboyer requested an update on the status of the City of Brandon Back Lane Strategy.

At the request of His Worship the Mayor, the City Manager responded that he had received a memo from the Engineering Department with respect to this issue. He confirmed that the Operations and Engineering Departments had been working together to develop a comprehensive Back Lane Strategy for the City of Brandon. Mr. Sage advised that City Council would be updated on the progress of same at a meeting to be held February 5, 2018. He noted that the Engineering and Operations Departments continued to work on improving the current back lane maintenance program with identified problematic areas being targeted for repairs in 2018.

(284) **NO PARKING SIGNS - ROSSER AVENUE BETWEEN 13TH & 14TH STREETS**

Councillor Brown requested the removal of two no parking signs on Rosser Avenue between 13th and 14th Streets. He noted that these signs were located in front of an empty lot and the removal of same would allow for more parking spots downtown.

At the request of His Worship the Mayor, the City Manager responded that the City of Brandon maintains a loading zone on each block of Rosser Avenue; however, as there was a loading zone on the north side of the 1300 Block of Rosser Avenue, the signs referred to by Councillor Brown would be removed. He noted that an Ad Hoc Committee of City Council had been commissioned to address the concerns over perceived insufficient parking in the downtown area. Mr. Sage also reminded everyone that the City of Brandon maintained a free parking lot located at 1201 Pacific Avenue.

(285) UPDATE ON DRUG AND ADDICTION STRATEGY

Councillor Patterson noted that funding had been allocated in the 2018 City of Brandon Budget to combat the drug and addictions problems facing residents in the City of Brandon and enquired as to the progress made thus far.

At the request of His Worship the Mayor, the City Manager responded that additional funding had been allocated to the Brandon Police Service to be used for Officers to focus on restricting illegal drugs from entering the community as well as curtailing the exploitation of young people. The City Manager advised that the Brandon Police Service continued to support the Community Mobilization Hub, a group of local agencies whose representatives came together weekly to connect individuals or families in the community with the necessary supports and services before the situations escalated or a tragedy occurred.

Mr. Sage noted that City Council had also included \$25,000 in the 2018 Mayor's Budget for a proposed initiative related to Youth Addiction Prevention. He confirmed that His Worship Mayor Chrest was working with the Brandon School Division Board along with other community organizations to hold a Forum in the Spring directly related to this issue. He agreed to keep City Council apprised of the details as the plans for this event progressed.

The City Manager also noted that the Brandon Police Service and Brandon Fire and Emergency Services were directly involved with numerous initiatives underway in the community and were being very proactive in addressing these emerging issues in the city.

(286) UPDATE ON SNOW CLEARING OPERATIONS

His Worship the Mayor requested an update on the status of the snow clearing operations in the City of Brandon.

At the request of His Worship the Mayor, the Acting City Manager responded that snow clearing and sanding operations began at Midnight on Sunday with crews working around the clock to clear the streets as quickly as possible. He advised that crews were currently working on Priority Routes 1, 2 and 3 with routes 4, 5 and 6 to follow immediately thereafter. Mr. Hammond confirmed that Priority 1 routes were expected to be completed by Wednesday morning however, due to the heavy, wet snow, snow clearing operations were taking longer than normal. He advised that a new piece of sidewalk clearing equipment was being given a good test by these conditions. Mr. Hammond stated that sanitation routes were also being cleared and sanitation collection services were not expected to be delayed by this storm. He encouraged residents to consult the snow map on the City of Brandon's website for updated information on which streets had been cleared and where the plows were expected to be next.

(287) SNOW CLEARING ON NORTH HILL PRIOR TO RECENT SNOW STORM

Councillor Fawcett noted that crews had been clearing snow on the North Hill prior to this storm and enquired as to the reasons for same.

His Worship the Mayor agreed to take this matter under advisement.

Following the meeting the Director of Public Works, Mr. Mark Yeomans, responded that although there had been an overall lack of snow this winter, City Streets had accumulated a layer of ice and numerous complaints had been received from residential areas with respect to this issue. He also advised that ice removal from areas around catch basins and a portion of the street in either direction was also important to aid with drainage to the catch basins.

March 19, 2018 City Council Meeting

(288) 2018 POTHOLE PROGRAM

Councillor LoRegio noted that potholes were once again becoming a problem in the City of Brandon and enquired as to the process for reporting same.

At the request of His Worship the Mayor, the City Manager responded that the Streets and Roads Section of Public Works had begun filling potholes and would continue to do so for the foreseeable future. He advised that information on the 2018 pothole program was on the City of Brandon's website and promoted on the social media feeds. He encouraged residents to call the pothole hotline at 204 729-2200 or submit the information online at www.brandon.ca/report-an-issue whereby crews would be dispatched accordingly following receipt of the complaint. The City Manager reminded residents that 1st Street, 18th Street, and portions of Victoria and Richmond Avenues were the responsibility of Manitoba Infrastructure (MI) and encouraged residents to call the provincial department directly to report issues on those streets.

The City Manager further advised that the Sewer and Water Crews were out daily steaming manholes. He encouraged residents to report issues regarding manholes to the Public Works Department at (204) 729-2285 or on the website as noted above.

April 3, 2018 City Council Meeting

(289) LONG TERM SOLUTION FOR POTHoles

Councillor Chaboyer noted that there continued to be perennial potholes in high traffic areas of the City of Brandon. She enquired if a more permanent repaving/rebuilding of the known problem potholes could be considered. At the request of His Worship the Mayor, the City Manager responded that, as soon as conditions permit in the spring, potholes were swept to remove loose material and dirt and filled with a cold mix with the patch being at a level slightly higher than the existing asphalt on the street. He advised that as the temperatures warm, the same process was completed using a more permanent hot mix of reclaimed asphalt. Mr. Sage noted that pothole patching continued throughout the summer in the same manner with a commercial supply of hot mix asphalt.

2018 CITY COUNCIL ENQUIRIES

The City Manager confirmed that 2199 potholes had been filled in March 2018 compared to 2111 in 2017 and 1722 in 2016. He stated that the freeze/thaw cycle of the spring combined with the physical shape of the street, the drainage of water from the road surface and traffic volumes were the main contributor to pothole development. He advised that the pothole filling practices employed by the Public Works crews provided a cost effective solution to potholes until such time as the street could be resurfaced. Mr. Sage confirmed that as part of the City of Brandon Asset Management Program, the Engineering and Public Works Departments worked together to ensure that repairs to problematic potholes and street resurfacing was completed in a timely manner while taking into consideration all infrastructure within the City of Brandon.

(290)

GREEN ORGANIC WASTE BINS AT HUMMINGBIRD COMMUNITY GARDEN

Councillor Brown advised that he had been contacted by the Hummingbird Community Garden Committee who had requested more organic waste bins. Councillor Brown noted that the bins at Westridge Community Centre were not being used to their full potential and enquired if same could be moved over to Hummingbird, making it the depot for the area.

At the request of His Worship the Mayor, the City Manager responded that moving the bins from Westridge Community Centre was not an option; however, other options for the Hummingbird Gardens Site were being considered. He noted that the access road into the gardens was currently a black dirt road and would need significant improvements to accommodate the weight of a sanitation truck and that a pad for the bins/dumpster would also have to be developed at the site. Mr. Sage confirmed that there would be a larger organics bin/dumpster at the Hummingbird Community Gardens Site for the 2018 growing season and Administration continued to look at all options for the placement of larger bins at this site.

2018 CITY COUNCIL ENQUIRIES

(291) PETITION - SEWER ISSUES ON LAWRENCE AND LLOYD CRESCENTS

Councillor Parker presented a petition from the residents and homeowners of property on Lawrence and Lloyd Crescents with respect to lost sewer insurance coverage, increased insurance rates and decreased values of their homes due to damages from flooding caused by the City of Brandon.

The petitioners requested that the City of Brandon (Sanitation, Sewer and Water):

- ✓ hold a public forum to discuss the needs of a new sewer system in the area;
- ✓ change methods used for removing blockages and cleaning by the pumper trucks to ensure they are safe and adequate;
- ✓ provide employees with additional training on carefully and effectively rectifying any and all current problems;
- ✓ provide homeowners with a minimum 72 hours. notice when work is being done in the area;
- ✓ ensure that the City of Brandon assume the financial responsibility for damages caused and reimburse the residents and/or homeowners accordingly.

Councillor Parker noted that the petition contained 45 signatures and enquired if this matter could be investigated.

His Worship the Mayor agreed to take this matter under advisement.

2018 CITY COUNCIL ENQUIRIES

April 16, 2018 City Council Meeting

(292) UPDATE ON THE 2018 STREET SWEEPING

His Worship Mayor Chrest requested an update on the 2018 street sweeping schedule.

At the request of His Worship the Mayor, the City Manager responded that test runs were currently being conducted to ensure the equipment was ready. He advised that the full street sweeping operations were expected to start next week. The City Manager reminded everyone that funds for the rental of two additional units had been approved in the 2018 Budget and would allow for a much faster completion of street sweeping.

(293) REPORT ON CRIME STATISTICS FOR THE DOWNTOWN AREA IN COMPARISON WITH CITY-AT-LARGE

Councillor Cullen requested a report on the crime statistics in the City of Brandon, inclusive of a comparison of the downtown with the city-at-large and the trends from previous years.

At the request of His Worship the Mayor, the City Manager responded that information on this issue was available on the Brandon Police Service website; however, he agreed to have the Chief of Police provide a full report on the crime statistics, inclusive of maps and comparisons to prior years at a City Council meeting in the near future.

(294) STREET WORK FOR 2018

Councillor LoRegio enquired if a comprehensive list of proposed street repairs for 2018, inclusive of sewer and water repairs and any potential road closures could be provided.

His Worship the Mayor agreed to take this matter under advisement.

2018 CITY COUNCIL ENQUIRIES

May 7, 2018 City Council Meeting

(295) **SIGNAGE FOR AREAS WHERE CHILDREN PLAY**

Councillor LoRegio enquired if signage could be placed in areas around the City of Brandon where there were no playgrounds but children played street hockey etc. He cited the vicinity of J.R. Reid School, Memorial Crescent and 22nd to 26th Streets on Van Horne Avenue as examples and noted that the signs could simply read: "Caution, Children Playing".

His Worship the Mayor agreed to take this matter under advisement.

(296) **PETITION FROM RESIDENTS ON LAURENCE AND LLOYD CRESCENTS**

Councillor Parker referred to a previous enquiry whereby he had presented a petition from residents on Laurence and Lloyd Crescents regarding issues with the sewer system and requested an update on the status of the response to same.

At the request of His Worship the Mayor, the City Manager responded that a formal enquiry response had been submitted to City Council and published on the website today. He also advised that further information on this issue would be shared with City Council as it became available.

May 22, 2018 City Council Meeting

(297) **IMPACT OF DOWNTOWN FIRE ON ACCESS TO PARKING LOTS FOR LOCAL BUSINESSES**

Councillor LoRegio noted that many of the businesses in the area of the fire on the weekend were unable to access their parking lots and enquired if adjustments to parking meters could be made for staff to park during the day.

At the request of His Worship the Mayor, the City Manager responded that the Brandon Police Service and the Meter Shop were working together to resolve this issue as soon as possible. He advised that possible solutions included bagging the meters or removing meter heads altogether to allow staff from those businesses to park all day without being ticketed. The City Manager confirmed that a full report on how this issue was resolved would be provided in the very near future but assured Councillor LoRegio that the matter would be addressed quickly.

2018 CITY COUNCIL ENQUIRIES

(298) **UPDATE ON DALY OVERPASS REPLACEMENT**

Councillor Harwood noted that an Open House had been held in December 2017 with respect to the concept choices for the replacement of the Daly Overpass. He enquired if any further information was available.

At the request of His Worship the Mayor, the City Manager responded that the preliminary design process was near completion and Manitoba Infrastructure and Transportation was expected to provide an update to Stakeholders in the near future.

(299) **COMPLETION OF IMPROVEMENTS AT INTERSECTION OF 34TH STREET AND VICTORIA AVENUE**

Councillor Harwood enquired what was left to be completed on the improvements to the intersection of 34th Street and Victoria Avenue and when the work on same was expected to begin.

At the request of His Worship the Mayor, the City Manager responded that the main items to be finished up included the installation of lighting, concrete work in the medians, restorations to sidewalks and walking paths as well as landscaping. He confirmed that the Engineering Department had been advised by Manitoba Infrastructure and Transportation and the contractor that work was expected to begin May 29, 2018.

(300) **REQUEST FOR CROSSWALK AT 24TH STREET AND ROSSER AVENUE**

Councillor Harwood noted that increased pedestrian traffic around the 24th Street and Victoria Avenue Intersection was causing safety concerns. He enquired if the installation of a crosswalk at that intersection could be considered.

At the request of His Worship the Mayor, the City Manager responded that, in the interest of safety, crosswalk signs had been ordered and would be installed as soon as possible.

(301) **IMPROVEMENTS TO CROSSWALK AT 34TH STREET AND LAKEVIEW DRIVE**

Councillor Berry noted that safety concerns with respect to increased pedestrian and vehicle traffic as well as the speed of traffic in the area continued to be an issue at the intersection of 34th Street and Lakeview Drive. He requested that a traffic study be conducted prior to the end of June, the speed limit be reduced from 60 km/h to 50 km/h and the installation of a pedestrian crosswalk complete with lights and signage be considered for this intersection.

2018 CITY COUNCIL ENQUIRIES

At the request of His Worship the Mayor, the City Manager responded that a study of traffic and pedestrian counts will be conducted prior to the end of the 2017/2018 School Year. He advised that the speed data would be collected and assessed by the Engineering Department prior to their submitting an application for a speed reduction to the Highway Traffic Board of Manitoba. The City Manager confirmed that an update to Councillor Berry's enquiry would be provided at the July 16, 2018 City Council Meeting.

(302) COMPLETION OF GREEN SPACE IN BROOKWOOD MEADOW NORTH OF 21 AND 23 SOUTHVIEW DRIVE

Councillor Berry advised that there continued to be drainage issues in the low area north of 21 and 23 Southview Drive in the Brookwood Meadow Subdivision. He enquired if this area could be landscaped as soon as possible.

At the request of His Worship the Mayor, the City Manager responded that the landscaping completed following the installation of a French Drain in 2016 had created this low point. He confirmed that a topographic survey of the area would be completed within the next 2 weeks, the results of which would be used by staff to properly landscape the area.

(303) CITY EMPLOYEES WORKING ON STATUTORY HOLIDAYS

Councillor Berry stated that he had observed city staff dropping off green bins in his neighborhood on the Victoria Day Monday. He enquired why staff were brought in and paid overtime to perform these types of jobs that could be done during regular hours.

At the request of His Worship the Mayor, the City Manager responded that, with the summer being the busy season, the Sanitation Section maintained regular hours on Statutory Holidays. He confirmed that the temporary staff scheduled to work at the Landfill were expected to perform other tasks such as delivering and emptying bins when the Landfill was not busy. The City Manager confirmed that these staff were paid their regular wage plus a stat premium for the hours they worked to ensure sanitation services were available during Holidays.

(304) INTERSECTION OF MCDONALD AVENUE AND STICKNEY AVENUE

Councillor Desjarlais advised that the property located at 1645 Stickney Avenue has been damaged numerous times due to vehicles turning north off McDonald and Stickney Avenues. He suggested that a three-way stop may be an effective measure to slow traffic. He enquired if possible solutions to the problem at this intersection could be investigated.

His Worship the Mayor agreed to take this matter under advisement.

2018 CITY COUNCIL ENQUIRIES

(305) IMPROVEMENTS TO CROSSWALK AT 15TH STREET AND PRINCESS AVENUE

Councillor Desjarlais enquired if improvements to the Crosswalk at 15th Street and Princess Avenue, inclusive of lights and signage could be considered. He also enquired if signage cautioning vehicles to slow down (children playing) in the vicinity of Stanley Park which was also close to this intersection.

His Worship the Mayor agreed to take this matter under advisement.

June 4, 2018 City Council Meeting

(306) STREET SWEEPERS ON GRASS BOULEVARDS

Councillor LoRegio noted that the street sweepers were causing damage to the grass boulevards and enquired if the operators could be instructed to stay on the paved areas.

At the request of His Worship the Mayor, the City Manager responded that the grass areas are swept as part of the regular process to clear them of the sand, gravel and debris left over from the winter snow clearing process.

He noted that street sweeping operations are typically completed by the end of May and encouraged residents to delay any boulevard remediation until after that time. The City Manager advised that further information on the street sweeping schedule was available on the website or by calling Public Works at (204) 729-2290.

(307) UPDATE ON WATER TOWER MAINTENANCE AND REPAIR

Councillor Parker requested an update on the status of the Water Tower maintenance and repairs.

At the request of His Worship the Mayor, the City Manager responded that the Water Tower assessment report completed in 2017 recommended the removal of the piping components and the replacement of the bracing with a timeline for completion of 1-5 years. He confirmed that the work was budgeted for in 2018; however, it may not be completed until 2019.

2018 CITY COUNCIL ENQUIRIES

(308) SAFETY RISK AT CONSTRUCTION SITE IN 1000 BLOCK OF 7TH STREET

Councillor Patterson advised that at her recent ward meeting residents had raised safety concerns with respect to a construction site in the 1000 Block of 7th Street. She noted that at the ward meeting Administration had agreed to follow-up on these concerns and requested an update on the status of same.

At the request of His Worship the Mayor, the City Manager responded that the Building Inspector had attended the site on June 1, 2018 with the photos taken at that time indicating that the site was appropriately fenced. The City Manager confirmed that the Building Inspector had determined that the site overall was clean, the Building Permit was valid until February 2019 and the work is expected to be completed this construction season.

June 18, 2018 City Council Meeting

(309) WINTERKILL AT WHEAT CITY GOLF COURSE AND OTHER RECREATION AREAS IN THE CITY OF BRANDON

Councillor Parker enquired how the Wheat City Golf Course and other recreational areas in the City of Brandon had been affected by Winterkill.

At the request of His Worship the Mayor, the City Manager responded that, while there had been some problems with the greens mix sand as well as a disease called Anthraconose, with replacement sand and aggressive treatment of the disease, the greens were in good condition as of today. He advised that the Golf Course Advisory Committee made up of members of administration, league organizers and community members, had met recently and confirmed that members of the committee and league members were pleased with the condition of the Course. Mr. Sage also noted that the statistics showed an increase in both rounds played and Season Passes sold in 2018. He invited City Council to contact Bryce Wilson to arrange a tour of the Course or book a Tee Time to play. The City Manager confirmed that other recreational areas in the City of Brandon were in good condition and he had received no complaints about the condition of the grass.

(310) UPDATE ON RE-OPENING OF PACIFIC AVENUE

His Worship the Mayor requested an update on the re-opening of Pacific Avenue following the May 19, 2018 fires.

City of Brandon Building Inspector Murray Fisher responded that the removal of the drywall inside Massey Manor was complete, the dumpsters had been removed and the fences were expected to be taken down this week.

2018 CITY COUNCIL ENQUIRIES

Mr. Fisher noted that the clean-up of the former Nightclub and Beer Store was complete, with the clean-up of the Christies and Collyer's properties expected to begin in the very near future.

The Building Inspector confirmed that all the poles and lines they supported along the north side of Pacific Avenue had been removed and the fencing would be realigned to allow vehicle traffic on the south lane and the parking lane of Pacific Avenue this week.

(311) REVIEW OF POSITIONS BY VACANCY MANAGEMENT COMMITTEE

Councillor LoRegio requested an update on the progress of the Vacancy Management Committee. He enquired if a full report, inclusive of the number of positions reviewed, those left vacant or dissolved, positions where funding was shifted elsewhere and a list of all the above, could be provided.

His Worship the Mayor responded that this matter would be referred to the Personnel Committee for a report back to City Council as soon as possible.

July 16, 2018 City Council Meeting

(312) SAFETY ISSUE OF CROSSWALK AT 18TH STREET AND ROSSER AVENUE

Councillor Desjarlais advised that uneven pavement at the southeast corner of the crosswalk located at the intersection of 18th Street and Rosser Avenue was a safety concern for those with mobility issues. He advised that motorized wheelchairs accessing this intersection were at risk of tipping over and enquired if same could be levelled out as soon as possible.

At the request of His Worship the Mayor, the City Manager responded that the sidewalk improvements to this area were part of the Daly Overpass replacement project which was expected to take place in the near future; however, he agreed to have Public Works and Parks Staff look over the site to determine possible interim solutions.

Further to the issue of sidewalk safety, Councillor Desjarlais advised that the Brandon Downtown Development Board had met today and the group had been provided with some pictures of other areas in the Downtown where the sidewalk pavement had lifted and was causing tripping hazards. He enquired if these areas could also be looked at.

2018 CITY COUNCIL ENQUIRIES

At the request of His Worship the Mayor, the City Manager requested that the representative from the Brandon Downtown Development Corporation provide him with the locations of these problem areas and crews would be dispatched to see what could be done.

(313) UPDATE ON MCKENZIE SEEDS BUILDING

Councillor Desjarlais requested an update on the status of the repairs to the former McKenzie Seeds Building located at 30-9th Street.

At the request of His Worship the Mayor, the City Manager responded that work began on the east wall cornice on July 9, 2018 and was expected to be completed within two weeks with the adjacent sidewalk and street to be reopened upon completion of the work. Mr. Sage noted that work to the remainder of the building was also underway with the materials to cover the window sills and lintels expected to arrive from the manufacturer by the end of July.

With respect to the payment for the closed parking stalls in the area, Mr. Sage confirmed that, although not able to resolve this issue on behalf of the lessees, the Planning & Building Department Staff continued to work with the lessor, the lessee and the owners of 20-9th Street on an agreement for payment. He noted that the focus of the City of Brandon Planning & Building Department continued to be that of protecting the public and facilitating the building's return to a safe condition.

(314) CONDITION OF TURN-AROUND AT OTTER BAY

Councillor Cullen advised that he had received complaints from residents on Otter Bay with respect to the turn-around at the end of the Bay being in poor condition in need of maintenance. Councillor Cullen noted that he had contacted the Public Works Department regarding this issue and enquired if an update on same could be provided.

At the request of His Worship the Mayor, the Director of Public Works responded that the area had been looked at and it was determined that the area was a combination of public and private property. Mr. Yeomans advised that he had been working with the Planning Department on potential solutions with respect to maintenance and repairs of the end of the round-about on Otter Bay which may include the City of Brandon completing all the work and invoicing the respective property owners. He agreed to keep City Council updated on the progress of this work.

2018 CITY COUNCIL ENQUIRIES

August 13, 2018 City Council Meeting

(315) STATUS OF ASSINIBOINE RIVER WATER

Councillor Chaboyer requested an update on the status of the Assiniboine River water, inclusive of whether or not there were sufficient quantities, if extra treatment was required with low water levels and if there was a water conservation plan in place.

At the request of His Worship the Mayor, the City Manager responded that staff continued to monitor river water levels at the Water Treatment Plant with water quality also monitored to ensure additional chemicals were added if necessary. He noted that Assiniboine River levels in the City of Brandon were primarily impacted by the flow out of the Shellmouth Dam and, as a member of the Shellmouth Dam Liaison Committee, City representatives continued to be vocal about the water needs for Brandon. The City Manager confirmed that a water conservation plan was in place and work had begun on a stand-alone drought plan for the City of Brandon.

(316) PARKING AND TRAFFIC ISSUES ON DRIFTWOOD CRESCENT AND GARWOOD DRIVE

Councillor Chaboyer advised that she had received complaints from residents on Driftwood Crescent and Garwood Drive with respect to employees of businesses in the Industrial Park parking on these streets all day while they were at work. She enquired if two-hour parking limits could be considered for this area.

Councillor Chaboyer also noted that the increased amount of large trucks travelling on residential streets in this area was a concern and enquired if this situation could be monitored.

At the request of His Worship the Mayor, the City Manager responded that the Engineering Department had canvassed the area and noted that while there was a concentration of parked vehicles in the area close to Park Avenue East, there was still adequate space for additional vehicles. He stated that these streets were wide enough to accommodate parking on both sides and all vehicles observed at that time were in compliance with the Traffic By-law provisions for on-street parking.

The City Manager advised that when permitted, parking on City streets was available and shared for all types of use. He advised that the process to limit on-street parking required a petition signed by all property owners on the block and encouraged residents to contact the Engineering Department for further information on this issue.

2018 CITY COUNCIL ENQUIRIES

With respect to the increased amount of large truck traffic, the City Manager responded that Park Avenue East had recently been closed for watermain repairs and although truck traffic was instructed to detour via 1st Street and Richmond Avenue East, trucks may have used Elderwood Drive as an alternate route. The City Manager confirmed that "No Truck" signs were installed at the intersections of Elderwood Drive with Park Avenue East and Richmond Avenue East and agreed to have same installed at the Garwood Drive intersection as well.

(317) UPDATE ON RIDEAU PARK PAVILION AND POTENTIAL PERMANENT WASHROOM

Councillor Parker requested an update on the status of the Rideau Park Pavilion as well as the potential for an additional permanent washroom for the Park.

At the request of His Worship the Mayor, the City Manager responded that the Rideau Park Pavilion Project was being undertaken by the Kiwanis Club. He agreed to reach out to that group for an update on timelines. The City Manager noted that there were three buildings with washroom facilities already in Rideau Park, but agreed to have the possibility of an additional facility investigated.

(318) UPDATE ON BRAECREST CORRIDOR

Councillor Fawcett requested an update on the status of the Request for Proposals for the functional design of the Braecrest Corridor.

At the request of His Worship the Mayor, the City Manager responded that the submission deadline was August 10, 2018 with the submissions to be reviewed by the Evaluation Committee and the award being made in early September 2018.

(319) DECORATIVE LIGHT FIXTURES ON 10TH STREET BETWEEN PACIFIC AND ROSSER AVENUES

Councillor Desjarlais noted that the installation of decorative light fixtures on 10th Street between Pacific and Rosser Avenues had been approved in the 2018 City of Brandon Budget Deliberations and requested an update on the status of same.

At the request of His Worship the Mayor, the City Manager responded that due to the requirement for the posts and mantels to exactly match those installed in 2003, the estimated costs had come in at \$30,000, well over the budgeted amount of \$16,000. He acknowledged that current lighting in the 000 Block of 10th Street was not sufficient and advised that the Engineering and Operations Departments were working together on potential solutions. The City Manager confirmed that a decision whether to postpone the project until 2019 or amend the specifications of the lights to come in on budget was expected to be made within two weeks. He agreed to keep City Council updated on this project.

2018 CITY COUNCIL ENQUIRIES

(320) UPDATE ON PUBIC WASHROOM AT PRINCESS PARK

Councillor Desjarlais noted that a public washroom for Princess Park was approved in the 2018 City of Brandon Budget Deliberations and requested an update on the status of same.

At the request of His Worship the Mayor, the City Manager responded that numerous City of Brandon Departments reviewed the Princess Park washroom capital project in early 2018. He confirmed that although there was value to this facility for downtown residents, the project had been put on hold for further review of the design, location and anticipated costs. He advised that City Council input would be sought as soon as a finalized design and location were established.

(321) UPDATE ON THE COST OF THE DOWNTOWN FIRE

Councillor Desjarlais requested an update on the costs incurred for the downtown fire that occurred on May 19, 2018, inclusive of emergency services, hotels, and water.

At the request of His Worship the Mayor, the City Manager provided the following summary of costs:

Overtime	\$60,456.36
Accommodations and Meals for Evacuees	\$66,123.09
Site Security	\$6,080.40
Other	\$1,211.58
TOTAL TO DATE	\$133,871.43

2018 CITY COUNCIL ENQUIRIES

(322) UPDATE ON COUNCIL PAY STRUCTURE

Councillor Desjarlais noted that some municipalities had made changes to the Council pay structures in preparation for the discontinuation of the tax exemption portion forecasted in the 2019 Federal Budget and enquired if the City of Brandon had examined the impact of same on upcoming budgets.

At the request of His Worship the Mayor, the City Manager responded that the City of Brandon was advised by the Association of Manitoba Municipalities that the Federation of Canadian Municipalities had been lobbying the Federal Government with respect to the legislative change to eliminate the 1/3 tax exemption for non-accountable expense allowances paid to Elected Officials. He advised that to date, there had been no movement by the Federal Government to change this measure which is set to become effective January 1, 2019. The City Manager noted that the City of Brandon was currently seeking clarification on what was included in the "non-accountable expense allowances" and how municipal budgets would be effected by this elimination. He confirmed that an update to City Council would be provided as soon as more information became available.

September 4, 2018 City Council Meeting

(323) AUDIBLE ALERTS AT CROSSWALKS

Councillor Desjarlais requested an update on the potential installation of audible alerts at crosswalks in the City of Brandon.

At the request of His Worship the Mayor, the City Manager responded that the Engineering Department was in the process of procuring audible alerts equipment for the intersections of 10th Street and Rosser Avenue as well as the intersection of 10th Street and Lorne Avenue. He advised that this equipment was expected to be installed by the end of 2018.

The City Manager noted that the installation of such equipment at additional locations in the future was budget driven and dependent on residents' requests and financial resources for same.

2018 CITY COUNCIL ENQUIRIES

(324) UPDATE ON CITY SIDEWALK INVENTORY

Councillor Desjarlais requested an update on the City of Brandon sidewalk inventory, inclusive of planned improvements to wheelchair ramps etc. to ensure an inclusive system of sidewalks for everyone.

At the request of His Worship the Mayor, the City Manager responded that the entire network of City of Brandon sidewalks, inclusive of ramps, was currently being reviewed. He confirmed that all issues were being logged, videotaped and summarized for each block. The City Manager noted that the sidewalk maintenance and construction programs would be guided by the results of this review for years to come.

(325) REPLACEMENT OF FENCING AT STANLEY PARK TENNIS COURTS

Councillor Desjarlais noted that the fencing around the tennis courts located in Stanley Park had been vandalized earlier this summer and enquired when same was expected to be repaired and at what cost.

At the request of His Worship the Mayor, the City Manager responded that price quotes were currently being sought with same expected to be under \$5,000. He advised that the work was expected to be completed this fall.

(326) UPDATE ON ROADWORK ON BRANDON AVENUE AND 8TH STREET

Councillor Patterson enquired when the roadwork on Brandon Avenue and 8th Street was expected to be completed.

At the request of His Worship the Mayor, the City Manager responded that Brandon Avenue from 6th to 8th Streets as well as 8th Street from Brandon to Southern Avenue had been milled and is scheduled for resurfacing within a week.

(327) UPDATE ON CROSSWALK AT 34TH STREET AND LAKEVIEW DRIVE

Councillor Berry referred to a previous enquiry whereby he had requested improvements to the crosswalk located at 34th Street and Lakeview Drive be considered and enquired as to the status of same.

At the request of His Worship the Mayor, the City Manager responded that a traffic count had been conducted at that intersection in June 2018 and additional data was required prior to recommendations for additional safety measures. He advised that a recommendation from the Engineering Department was expected in October with any improvements to be budgeted for in 2019. The City Manager confirmed that in the interim, the crosswalk at Lakeview Drive and 34th Street was to be painted within the next week to ensure it was highly visible to motorists.

(328) INSTALLATION OF CROSSWALK AT EVERGREEN BOULEVARD AND WILLOWDALE CRESCENT

Councillor Berry noted that safety concerns had been raised by parents of children attending Linden Lanes School and enquired if the installation of a crosswalk at the intersection of Evergreen Boulevard and Willowdale Crescent could be considered.

At the request of His Worship the Mayor, the City Manager responded that the Engineering Department had determined that a crosswalk was needed at the intersection of Evergreen Boulevard and Willowdale Crescent. He confirmed that the installation of signage and painting of lines was currently underway at this intersection.

(329) MAINTENANCE WORK ON BROOKWOOD GREENSPACE

Councillor Berry requested an update on the maintenance work which began in late August in the Brookwood Greenspace. He enquired as to the full scope of the work, what had been done to notify the Ward Councillor and area residents prior to the start of the work and whether or not a public forum was planned for area to discuss this issue.

At the request of His Worship the Mayor, the City Manager responded that the work was being done in the Brookwood drainage channel to clear out the willow tree brush overgrowth from the basin to allow for a free water flow in the basins and the water retention pond.

The City Manager stated that in an effort to be efficient, staff planned storm water management work at this location in conjunction with the willow tree removal. He noted that there had been no follow-up with the Ward Councillor or area residents following the request for the removal of the willows. The City Manager confirmed however, that all planned work was on hold until a public information session could be held to ensure area residents were updated on the planned work and were allowed an opportunity to share their concerns.

(330) UPDATE ON DIKE WORK BEHIND KASIURAK BAY

Councillor Fawcett requested an update on the status of the dike work behind Kasiurak Bay.

At the request of His Worship the Mayor, the Acting General Manager of Development Services responded that the scope of the work had changed slightly and issues raised by area residents were being addressed prior to the tender for the work being sent out in early October at the latest.

(331) **DRAINAGE WORK ON OUTBACK DRIVE**

Councillor Fawcett enquired as to the timeline for completion of the drainage work on Outback Drive.

At the request of His Worship the Mayor, the Acting General Manager of Development Services responded that the tender for this work was to be sent out in late September with the work expected to be completed by year-end.

(332) **UPDATE ON CITY COUNCIL MEETING DECISIONS**

Councillor LoRegio noted that there were no media in attendance at the meeting and enquired as to the City of Brandon's process for updating the public on City Council decisions following meetings other than through local media.

His Worship the Mayor responded that the Director of Communications issued a release with a link to the YouTube video within a few days of the meeting; however, he agreed to take this matter under advisement.

(333) **UPDATE ON "NOT EVEN ONCE" INITIATIVE**

Councillor Parker requested an update on the "Not Even Once" Initiative which had been created to address the growing issues related to drug addictions in our community.

His Worship the Mayor responded that the City of Brandon continued to work with the Province of Manitoba Health, Prairie Mountain Health and the Addictions Foundation of Manitoba on strategies and programs to assist individuals addicted to methamphetamine and other detrimental substances. He noted that the City of Brandon continued to support the Community Mobilization Strategy (HUB Table) which connected many individuals affected by drug use/addiction with services to help them.

His Worship stated that City Council had supported two initiatives in the 2018 Budget Deliberations aimed at addressing this issue in the community. The allocation of \$180,000 to the Brandon Police Service supported a targeted initiative focused on drug trafficking and the human exploitation resulting from same. The second allocation provided \$25,000 for an initiative spearheaded by himself working with the Brandon School Division for the creation of the Not Even Once (N.E.O.) Program which was designed to get the message out to students on the dangers of trying drugs even once. He advised that while awareness programs existed in the Brandon School Division, these funds would allow for the creation of new programs and the enhancement of those already in existence. His Worship advised that the N.E.O. Program targeted students from Grade 9 through Grade 12. He agreed to keep City Council updated on these important initiatives.

(336) UPDATE ON KEYSTONE CENTRE GOVERNANCE MODEL

Councillor LoRegio enquired if an update on the Keystone Centre governance model could be provided.

His Worship the Mayor responded that the Keystone Leadership Group had met on September 17, 2018 with the meeting being chaired by the Honourable Jeff Warton, Minister of Municipal Relations. His Worship advised that the Group had agreed to proposed improvements to the governance structure that allowed for a more streamlined governance with the Keystone Board being better able to effectively manage the facility. Mayor Chrest confirmed that the documentation was expected to be finalized in the Fall and would be presented to City Council as soon as it was completed.

(337) UPDATE ON THE RESIDENTIAL SCHOOL BURIAL SITES INCLUDING TURTLE CROSSING CAMPGROUND

Councillor Fawcett requested an update on the ongoing discussions with respect to Residential School Burial Sites, inclusive of Turtle Crossing Campground.

His Worship the Mayor responded that several meetings had taken place with respect to this issue. His Worship advised that this process was being jointly undertaken by Sioux Valley First Nation, the City of Brandon, the Province of Manitoba Indigenous & Northern Relations, the Turtle Crossing Campground property owner, the Brandon Urban Aboriginal Peoples' Council, and the site researcher Katherine Nichols.

Mayor Chrest noted that these meetings had been very positive with all parties in agreement that a dignified and appropriate solution to properly commemorate the graves of these children must be found. His Worship advised that further research to verify the parameters of the burial site was required. Mayor Chrest stated that despite this being a sensitive and unfortunate part of Canada's history, Brandon had a very cooperative team working together to create a dignified remembrance of those who passed away at the Brandon Residential School. He agreed to keep City Council updated as the process progresses.

(338) DRAINAGE CONCERNS RELATED TO DEVELOPMENT AT 1054, 1056 AND 1058 - 7TH STREET

Councillor Patterson advised that residents had raised concerns with respect to incomplete work related to drainage at the site of the recent development at 1054, 1056 and 1058 - 7th Street. She enquired if the developer had been contacted regarding this issue to ensure that additional water from the development was not drained onto neighbouring properties.

At the request of His Worship the Mayor, the City Manager responded that the Planning & Buildings Department staff had contacted both the Developer and the Contractor of 1054, 1056 and 1058 - 7th Street and raised concerns regarding the site drainage deficiencies. He confirmed that site inspections determined that the landscaping did not comply with the approved plans of the City of Brandon Lot Grading, Drainage and Elevations By-law.

Mr. Sage stated that both the Developer and the Contractor had assured staff that the landscaping would be completed in compliance with the approved plans by late fall. He advised that the Planning & Buildings Department staff continued to monitor the progress at this site to ensure the work was completed in a timely manner.

(339) SPEEDING ON PATRICIA AVENUE BETWEEN 1ST AND 9TH STREETS

Councillor Brown advised that speeding vehicles continued to be a problem on Patricia Avenue between 1st and 9th Streets. He enquired if a speed survey during peak traffic times could be conducted by the Brandon Police Service.

At the request of His Worship the Mayor, the City Manager responded that the Brandon Police Service had taken this matter under advisement, a speed survey would be conducted and a report to City Council would be provided in the near future.

(340) REQUEST FOR CROSSWALK AND SIGNAGE ON PORTOLA DRIVE AND COBALT CRESCENT

Councillor Brown advised that a resident had requested a pedestrian crosswalk and signage be installed at the intersection of Portola Drive and Cobalt Crescent and enquired if this matter could be investigated.

At the request of His Worship the Mayor, the City Manager responded a review of the area would be completed by the Traffic and Transportation Planner and full report on this issue would be provided to City Council upon completion of same.
