

## SOUTHWEST BRANDON SECONDARY PLAN Infrastructure Amendment

Please join the City of Brandon's Development Services Division as we present updated information on the Southwest Brandon Secondary Plan amendments. Topics include:

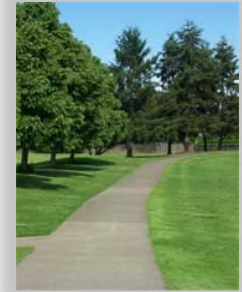

- **Extension of multi-use trail between Marquis Drive and 34<sup>th</sup> Street**
- **Drainage routes and water retention east of 34<sup>th</sup> Street**
- **Coordinate new development with phasing of water and wastewater infrastructure**
- **The incorporation of naturalized stormwater retention basins (SRB's)**

This information session is intended to present the public of the changes highlighted from the Southwest Brandon Secondary Plan Amendments workshop held on March 1, 2017. City staff will be available to help answer your questions. Snacks and refreshments will be provided.

**Date: Tuesday October 10, 2017**

**Location: Westridge Community Centre - 32 Willowdale Crescent**

**Time: 6:30pm – 8:00pm**
