

## Temporary Signs - Love 'em or Hate 'em?

The City of Brandon Planning & Building Safety Department is starting the process to review and update the current Temporary Sign By-law in regards to how temporary signs should be included within our neighbourhoods and streetscapes. The by-law regulates various types of temporary signs, including sandwich board signs, real estate signs, construction signs and mobile signs, among others. Please join us at our open house to provide us with your input on temporary signs within the City of Brandon.
