

TLC For Your HRV!!

Do you know what a Heat Recovery Ventilator (HRV) does for you and your home? Did you know that you can increase the level of comfort through regular maintenance of your HRV?

Please come and join us at this informational and interactive session for an overview of the general functions and maintenance of HRV's.

Thursday, July 16, 2015

5:00 p.m. to 6:30 p.m.

A 20 minutes Power Point Presentation at 5:15 p.m.

At the

Brandon Design Studio

Located at

638 Princess Avenue

(Please use the Cultural Resource Centre entrance at the east side of the A.R. MacDiarmid Civic Complex. Additional visitors parking is available at the parking lot at the corner of Princess Ave and 6th Street).

To RSVP or for further information, please contact either Josh Cory at j.cory@brandon.ca or 204-729-2122 or Kurtis Quane at k.quane@brandon.ca or 204-729-2120. Please provide us with a number of attendees if you are attending as a group.
