Proposal to have main floor unit separate from lower level unit. Creating a 2 Residential units.

The new suite on the lower level will require no additional development or expansion. There will be no changes to the footprint and volume of the existing house. Hence, it will be compatible with the general natures of the surrounding area.

The new suite on the lower level will pose no threat, and create no negative impact to the health or general welfare of the people living or working in the surrounding area.

The new suite on the lower level is consistent with the applicable provisions of the development plan by-law. It is also consistent with the provisions of the zoning by-law and any secondary plan by-law.

Thank you, Colleen Sigurdson
