a. By-Law No. 7226; Rezoning

700 33rd Street East

Owner: Ron Cumming

Applicant: Kate McKenzie and Bob Senkbeil

Community Planner, Sonikile Tembo, introduced the application as presented in the City of Brandon Planning report.

The owners Ron and David Cumming spoke to the application to relocate the asphalt plant to this location from where is it now. This new location is away from residential areas, and a better location for trucks coming and going from the plant. We are in the road building business, and this \$18,107.00 could be an in-kind contribution from their business to improve the intersection.
