RE: Conversion of 3rd Party Advertising Sign – 1340 Pacific Avenue, Brandon MB

To Whom It May Concern:

Please Print Name

Please Print Address

I, Heather Mackenzie of 1300 Pacific Ave Unit 3
support Army, Navy, Air Force Veterans in Canada, Brandon Unit No. 10 and
PATTISON Outdoor Advertising in their proposal to convert their existing vertical
billboard at 1340 Pacific Avenue into one that is horizontal, as per the diagrams provided.

I feel that the proposed sign will not be detrimental to my health and welfare as a nearby
resident, nor will it adversely affect the aesthetics of Pacific Avenue. In fact, I feel the
new design is an improvement, as the total height would change from 26' to 24' (2'
lower). Furthermore, I support the services provided by Army, Navy, Air Force Veterans
in Canada, Brandon Unit No. 10, a not-for-profit organization in my community. I
understand that this organization receives revenue from their existing sign. I would not
want them to lose this source of revenue in the event that the horizontal design
conversion is denied.

I hereby support Army, Navy, Air Force Veterans in Canada, Brandon Unit No. 10 and
PATTISON Outdoor Advertising in requesting a Variance to City of Brandon By-Law
7124 "to permit a free-standing advertising sign within a HUB Mixed-Use property".

Sincerely,

Please Sign Here
