Dear Mr. Li,

Crocus Plains Regional Secondary School is looking to install a new, freestanding pylon with and Automated Message System (AMS), along their east property line at 1930 – 1st street, Brandon; Block 16, Plan 300.

This double sided AMS is being attached permanently to the new structure that is going to promote school and community events and information for the onsite school to pedestrian and vehicular traffic on 1st street. This system has automatic dimming technology in reduced light and will not have any 'flashing' or 'scrolling' content.

This sign will face north / south on 1st street along the east property line which is over 1000 feet long. The closest residential to this sign would be over 400 feet to the north, where this site line is impeded by large evergreens. Because of this, this property will not be affected by any direct ambient light.

This system will not have any detrimental effects to the health or general welfare to people living or working in the surrounding area, nor will it have any negative effect to the properties themselves or their potential development. Overall it is generally consistent with the applicable by-laws with the exception that we are applying for a minor variance on the overall height of 4.9 meters (4.5 meters is the allowable height).

If you have any questions or we can be of assistance, please feel free to contact us at the information below.

Thank you,

- ILLUMINATED NEON, PLASTIC SIGNS & CANOPIES • COMMERCIAL SIGNS
- SHOW CARDS, POSTERS • TRUCK & WINDOW LETTERING • MAGNET SIGNS • SILK SCREENING-DECALS
- PERMA STAMPS-RUBBER STAMPS

Letter of Authorization

Date: June 18/18
