RE: **Further COVID-19 Update for Public Hearings**

Dear Applicant/Resident,

The City of Brandon has restored limited public access to City Hall with protective measures put in place to ensure safe interactions while maintaining the six (6) feet apart social distancing parameter set by the Provincial Government.

Public hearings will continue to be held for land use applications, the public is encouraged to refrain from attending the public hearing and instead submit their comments or concerns via email, and watch the meeting via the livestream at <https://www.youtube.com/user/CityofBrandonMB>.

Please contact the file manager indicated on the enclosed public notice prior to the public hearing to register to attend, or submit your comments and/or obtain additional information. All comments or concerns will be provided to the Planning Commission to discuss at the hearing.

As a reminder for those who register to attend City Hall, upon entry you will be directed to thoroughly wash your hands. There will be limited seating within the Council Chambers due to social distancing, with chairs being placed in the outside corridor.

Further comments can be sent during the live stream by emailing a.chapil@brandon.ca or by text at 204-720-3097.

We thank you for your cooperation during this difficult time,

Sincerely,

Ryan Nickel, RPP
Director of Planning and Buildings, City of Brandon
