**Re: Extension Request - Variance – Application PLVA2022000031**

To Whom It May Concern,

**Name of Applicant:** Dominic Lefebvre, Linde Canada Inc.

**Location of Proposed Mobile Office Replacement:** 1205-17th Street East, Brandon, MB, R7A 7C9

**Description of Variance:** We would like a variance for an extension for the replacement of the existing mobile office because the manufacturer of the mobile office was unable to have it installed before the winter months. The new mobile office is currently in production and will be installed in July or early August of this year.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dominic Lefebvre", is written in a cursive style.
