**Subject:** Re: Engagement report - Rezoning Application for 639 Van Horne Avenue

Good morning, I went to the neighbours houses yesterday and this morning. I dropped the letter with a proposed plan on the houses on both sides of the block. I talked to a few people. As of now no one has any concerns. I mentioned my phone number and email in the letter. So do you want me to make a report with this information? Please let me know.

Thank You

**Leni Shiju**
