Subject: [EXTERNAL]Letter of intent - PLVA2023-50 - Brandon Sun

CAUTION: This email originated from outside the organization. Be cautious of web links or attachments.

Good day

Please accept this email as our letter of intent of conducting business activities at Brandon Sun building(i.e 501 Rosser Ave)

- Business is operating in Stationery manufacturing which currently is focused on Envelopes
- Our business majorly has B2B sales which comprises our customers of federal,provincial entities for their bulk requirements of Envelopes.
- Use of space will be for production of envelopes, maintaining SKU's in stock as per our client requirements.
- Further expansion in manufacturing of paper bags, corrugated boxes and other paper products.
- As we are into bulk production of envelopes , receiving and shipping of raw materials and finished goods will be conducted on a daily basis through trucks.

I believe the above statements cover the intent of the business at this stage which will not require any changes to the infrastructure of the building.

Please let me know if any additional information is required.
