TO REPEAL BY-LAW NO. 7409 AND TO REZONE PART OF PROPERTY LOCATED AT 1910 BELL AVENUE
OWNER: WAVERLY DEVELOPMENTS LTD.
APPLICANT: JOHN BURGESS

Senior Planner, Andrew Mok, introduced Rezoning Application Z-05-26 as presented in the City of Brandon Planning report. After By-Law No. 7409 received third reading in March of 2025, an alternate solution was offered to the developer where a larger parcel would be rezoned which brought this location back in front of the Planning Commission.

Applicant John Burgess on behalf of Waverly Development Ltd., spoke to the project noting a separation between residents and the highway, and secondary parking access to comply with the City of Brandon’s request.

Brandon Resident Patty Peters requested clarification on the public notification methods.

Mok described the process the Planning department is legislated to follow, including signage at the project site and municipal office, letters to property owners within a specified buffer, and City of Brandon website.
