

BY-LAW NO. 7175

AS AMENDED BY BY-LAW NO. 7397.

BEING A BY-LAW of The City of Brandon to establish development charges and to be known as the “Development Charges By-law”.

WHEREAS *The Planning Act*, Section 143, provides that a Council may, by by-law, set the levies to be paid by applicants to compensate the municipality for the costs specified in the by-law that may be incurred by the subdivision of land;

**AND WHEREAS *The Municipal Act*, Sections 232(2)(d), 250(1), 250(2)(b) and (c), and 252(1) and (2) provides that the Council of a municipality may by by-law impose development charges against land to pay for increased capital costs required because of increased needs for services;
[AM. B/L 7397]**

**AND WHEREAS a development charges background study, capital infrastructure policy, and 20-year development charges capital infrastructure project list have been completed which identifies new infrastructure required to service planned growth in the City of Brandon;
[AM. B/L 7397]**

AND WHEREAS a public consultation has been completed that summarizes the public and stakeholder consultations held to facilitate public input on the Development Charge By-law;

**AND WHEREAS the charges imposed by this Bylaw are related to capital costs attributable to projects included in the capital budget and/or to capital projects consistent to service planned growth as set-forth in the Brandon City Plan or subsequent plan;
[AM. B/L 7397]**

NOW THEREFORE, the Council of The City of Brandon, duly assembled, enacts as follows:

PART I: DEFINITIONS

1. DEFINITIONS
In this by-law:

“ACT” [REP. B/L 7397]

“ACCESSORY USE” [REP. B/L 7397]

[EN. B/L 7397]

“RESIDENTIAL USE” means land, buildings or structures of any kind whatsoever used, designed or intended to be used as living accommodations for one (1) or more individuals.

“SERVICES” (or “SERVICE”) means those services designated in Schedule “A” to this by-law.

“SITE” means an area of land that is a whole lot or block in a registered plan of subdivision, or the aggregate of all contiguous land described in a single certificate of title, or a bare land condominium unit in a registered plan of condominium.

“TREATMENT INFRASTRUCTURE” means that infrastructure which is necessary to support planned growth within established and emerging growth areas, and includes water treatment and wastewater treatment infrastructure.

[AM. B/L 7397]

“ZONING BY-LAW” means the City of Brandon Zoning By-law.

PART II: DESIGNATION OF SERVICES

2. Development charges are imposed for the following service categories:

- (a) Treatment Infrastructure - Wastewater
- (b) Treatment Infrastructure - Water
- (c) Network Infrastructure - Transportation
- (d) Network Infrastructure – Wastewater
- (e) Network Infrastructure - Water
- (f) Network Infrastructure – Land Drainage

[AM. B/L 7397]

3. The components of the service categories designated in Section 2 of this by-law are outlined in Schedule “A” of this by-law, and further defined in Schedule “D” to this by-law.

[AM. B/L 7397]

PART III: USE OF DEVELOPMENT CHARGE FUNDS

4. The funds collected by the development charges:

- (a) will be used to fund new services, upgrade existing services, or debt finance services required for planned growth; and
- (b) will be placed in six separate reserve funds in accordance with the designated service categories in Section 2.

[AM. B/L 7397]

5. The applicable services for 20-year planned growth are set-forth in the Development Charges Capital Infrastructure Policy and the Development Charges Capital Infrastructure Projects List, as per Schedule “D” and “E” to this by-law.

[AM. B/L 7397]

6. The timing for constructing the applicable services identified for growth in the Development Charges Capital Infrastructure Projects List, as per Schedule “E”, shall be informed by the Brandon City Plan and associated growth strategies, and the state of the reserve funds identified in Subsection 4(b), and available resources of the City.

[AM. B/L 7397]

7. Council, upon recommendation from Administration, shall prioritize the applicable services for 20-year planned growth in the 10-year capital plan and the annual financial plan.”

[AM. B/L 7397]

PART IV: ESTABLISHED GROWTH AREA CHARGE

[AM. B/L 7397]

8. Development charges for treatment infrastructure and transportation network infrastructure as per Schedule “B-1” to this by-law and referenced in the annual City of Brandon Fee Schedule By-law apply to all lands within the “Established Growth Area” in the City of Brandon as shown in Schedule “C” to this by-law.

[AM. B/L 7397]

9. Development charges shall be imposed on the owner for treatment infrastructure and transportation network infrastructure as per Schedule “B-1” for payment prior to the issuance of a building permit under the Building Code Act.
[AM. B/L 7397]
10. Development charges imposed as per Section 9 shall be calculated with respect to each of the services in subsection 2(a), (b), and (c) in accordance with Schedule “B-1” for the following uses:
 - (a) Residential – according to density and number of dwelling units;
 - (b) Non-Residential – according to Floor Area; and
 - (c) Mixed Use – according to density and number of dwelling units for residential portions of buildings and Floor Area for non-residential portions of buildings.
[AM. B/L 7397]
11. Development charges shall not apply to residential accessory buildings.

PART V: EMERGING GROWTH AREA CHARGE

- [AM. B/L 7397]
12. Development charges for treatment infrastructure and network Infrastructure as per Schedules “B-2” and “B-3” to this by-law and referenced in the annual City of Brandon Fee Schedule By-law apply to all lands within the “Emerging Growth Area” in the City of Brandon as shown in Schedule “C” to this by-law.
[AM. B/L 7397]
 13. Any lands annexed into The City of Brandon and designated for residential, commercial, industrial, or institutional development in the Brandon City Plan shall be included in the “Emerging Growth Area” as shown in Schedule “C” to this by-law.
[AM. B/L 7397]
 14. Development charges shall be imposed on the owner for:
 - (a) Network infrastructure (Schedule “B-2”) for payment prior to the issuance of a certificate of approval for a subdivision (plan of subdivision or condominium) or prior to a rezoning receiving third reading under *The Planning Act*; and
 - (b) Network infrastructure and treatment infrastructure (Schedule “B-3”) for payment prior to the issuance of a building permit under *The Building Code Act*.
[AM. B/L 7397]
 15. Development charges imposed as per Subsection 14(a) shall be calculated with respect to each of the services in Section 2 (c through f) according to the Net Developable Area of the site in accordance with Schedule “B-2”. Only the portion of the site which is being intensified (non-residential) or densified (residential) as a result of the subdivision or rezoning shall be included in the development charge calculation.
[AM. B/L 7397]
 16. If a site is previously subdivided and zoned to allow the proposed development as a permitted or conditional use in the Zoning By-law and no further subdivision or rezoning is required, the development charges in Subsection 14(a) shall not apply.
 17. Development charges imposed as per Subsection 14(b) shall be calculated with respect to each of the services in Section 2 in accordance with Schedule “B-3” for the following uses:
 - (a) Residential - according to density and number of dwelling units;
 - (b) Non-Residential - according to Floor Area; and
 - (c) Mixed Use - according to density and number of dwelling units for residential portions of buildings and Floor Area for non-residential portions of buildings.
[AM. B/L 7397]
 - 17.1 Any lands annexed into The City of Brandon shall be included in the “Emerging Growth Area” as shown in Schedule “C” to this by-law.
[EN. B/L 7397]
 18. Development charges shall not apply to residential accessory buildings.

PART VI: REDUCTION OF DEVELOPMENT CHARGES

19. Despite Section 9 and Subsection 14(b), development charges due for payment prior to the issuance of a building permit in Schedules “B-1” and “B-3” shall be reduced when new development occurs on a previously developed site where:
 - (a) A building in whole or in part was or will be demolished; and the use of the demolished building was discontinued for no more than sixty (60) months prior to the date of payment of development charges; or

- (b) A building in whole or in part is converted from a non-residential use to a residential use or vice versa; and the use of the converted building was discontinued for no more than sixty (60) months prior to the date of payment of development charges.
[AM. B/L 7397]
20. The reduction for a former residential use shall be calculated in the same manner as the development charges in Sections 10 and 17 for a building or portion of a building that has been or will be demolished or converted to another use.
[AM. B/L 7397]
- 20.1 The reduction for a former non-residential use shall be applied in accordance with Floor Area as noted on the most recent applicable property tax assessment record(s) for a building or portion of a building that has been or will be demolished or converted to another use.
[EN. B/L 7397]
21. The sum of reductions calculated in Sections 20 and 20.1 of this by-law shall:
- (a) not exceed the amount of the development charges otherwise payable with respect to the redevelopment; and
- (b) be applied prior to the issuance of a building permit under the *Building Code Act*.
[AM. B/L 7397]

DEVELOPMENT CHARGE OFF-SETTING

- 21.1 Council at their discretion may adopt separate development charge off-setting by-laws and fund reserves to discount development charges for specific land uses and/or areas of the City.
[EN. B/L 7397]

PART VII: TRANSITIONAL RULES

22. [REP. B/L 7397]
23. Despite Section 9 and Subsection 14(b), development charges due for payment prior to the issuance of a building permit in Schedules “B-1” and “B-3” shall be reduced when previous development agreement contributions have been paid for services listed in Section 2 and pertain to a project listed in Schedule “E of this by-law. The reduction will be calculated by the total contributions paid divided by the number and type of residential dwelling units and/or floor area of non-residential development and shall not exceed the amount of the development charges otherwise payable with respect to the development.
[AM. B/L 7397]
- 23.1 For previously approved development sites located in the “Emerging Growth Area” that have paid development charges at the time of development agreement prior to this by-law amendment coming into force, a credit towards transportation and land drainage network infrastructure development charges in Subsection 14(b) will be applied at the time of building permit equal to the total development charges paid at the time of development agreement. The credit will be calculated by the total development charge paid divided by the number and type of residential dwelling units and/or Floor Area of non-residential approved. The credit shall not exceed the amount of network infrastructure development charges otherwise payable with respect to the development.
[EN. B/L 7397]

PART VIII: PAYMENT BY SERVICES

24. Despite the development charges in Sections 9 and 14, Council, by agreement, may give a credit towards current and future development charges in exchange for an owner, at the owner’s cost, constructing services identified for growth in the 10-year capital plan.
[AM. B/L 7397]
- 24.1 The value of the credit in Section 24 is limited to the reasonable cost of the work which does not exceed the average level of service. The credit applies only to the service category to which the work relates.
[EN. B/L 7397]

PART IX: INDEXING

25. Development charges for treatment infrastructure and water and wastewater network Infrastructure imposed in Schedules “B-1”, “B-2” and “B-3” pursuant to this by-law will be automatically adjusted annually, in accordance with Statistics Canada’s “*Consumer Price Index (Manitoba)*”.
[AM. B/L 7397]
- 25.1 Development charges for transportation and land drainage network infrastructure imposed in Schedules “B-1”, “B-2” and “B-3” pursuant to this by-law will be automatically adjusted annually, in accordance with Statistics Canada “Building Construction Price Index

(Winnipeg, Division Composite)” for non-residential buildings (Statistics Canada. Table 19-10-0276-02 Building construction price Indexes, percentage change, quarterly).

[EN. B/L 7397]

26. The annual indexed percentage increase (or decrease) for the development charges imposed in Schedules “B-1”, “B-2”, and “B-3” for treatment infrastructure and water and wastewater network Infrastructure shall be equal to the previous year’s Consumer Price Index (Manitoba) percentage increase (or decrease) between September 1 of the current year and September 1st of the previous year. The indexed development charges for the new year will become effective January 1st in the annual City of Brandon Fee Schedule By-law.
[AM. B/L 7397]
- 26.1 The annual indexed percentage increase (or decrease) for the development charges imposed in Schedules “B-1”, “B-2” and “B-3” for transportation and land drainage network infrastructure shall be equal to the “Building Construction Price Index (Winnipeg, Division Composite, non-residential buildings)” percentage increase (or decreases) between Q2 of the current year and Q2 of the previous year. The indexed development charges for the new year will become effective January 1st in the annual City of Brandon Fee Schedule By-law.
[EN. B/L 7397]

PART X: CONSULTATIONS

27. The City shall consult with development and building industry representatives prior to recommending any amendments to this by-law regarding the application, the amount of development charges in Schedules “B-1”, “B-2” and “B-3” of this by-law, or new projects to be included in the Development Charges Capital Infrastructure Projects List in Schedule “E”.
[AM. B/L 7397]
28. Before amending the application, or the amount of development charges in Schedules “B-1”, “B-2” and “B-3” of this by-law, Council must hold a public hearing and give notice at least fourteen (14) days before the hearing.
[AM. B/L 7397]
- 28.1 The City shall publish an annual financial report which will provide an update on the status of the development charges reserves and capital plan projects. The City shall consult with development and building industry representatives following the publishing of the report.
[EN. B/L 7397]

PART XI: COMPLAINTS AND APPEALS

29. Development Charges may be appealed to the Planning Commission. The appeal shall:
- (a) be in writing;
 - (b) include a fee as identified in the annual City of Brandon Fee Schedule By-law;
 - (c) be filed in writing to the City Clerks Office within fourteen (14) days from the date the City sends the determination of the fee under this by-law; and
 - (d) include the reason for the appeal, indicating that:
 - (1) the amount of the charge was incorrectly determined;
 - (2) the reduction to be used against the development charge was incorrectly determined; or
 - (3) there was an error in the application of the development charge.
- [AM. B/L 7397]
30. The Planning Commission shall:
- (a) fix a date, time and place for the appeal hearing;
 - (b) at least fourteen (14) days prior to the hearing, send notice of the hearing to the appellant; and
 - (c) after considering the appeal, the Planning Commission may confirm or vary payment of the development charges.
- [AM. B/L 7397]
31. The decision of the Planning Commission is final.

PART XII: SCHEDULES

32. The following schedules of this by-law form an integral part thereof:

Schedule “A” -	Designated Services under This By-law
Schedule “B-1” -	Schedule of Development Charges – Established Growth Area – Development Charges prior to Building Permit
Schedule “B-2” -	Schedule of Development Charges – Emerging Growth Area – Development Charges prior to Subdivision or Rezoning
Schedule “B-3” -	Schedule of Development Charges – Emerging Growth Area – Development Charges prior to Building Permit

Schedule “C” -	Map of Established and Emerging Growth Areas
Schedule “D” - [EN. B/L 7397]	Development Charges Capital Infrastructure Policy
Schedule “E” - [EN. B/L 7397]	Development Charges Capital Infrastructure Projects List

PART XIII: ENACTMENT AND REVIEW

33.

This by-law shall come into full force and take effect 60 calendar days following its passage. From that day forward, development charges imposed shall apply to rezoning applications (prior to third reading), subdivision applications (prior to the issuance of a certificate of approval) and building permits (prior to the issuance of a building or foundation permit, whichever comes first).

[AM. B/L 7397]
34.

The rates in this by-law shall be reviewed in detail at minimum every five (5) years in series with updates to treatment and network infrastructure, as described in Schedule “A” to this by-law, required to service 20 years of planned growth as identified in the Brandon City Plan and associated Growth Strategies.

[AM. B/L 7397]
35.

Reviews are to follow the consultation process in Sections 27 through 28.1, and does not include the indexing rate increases (or decrease) already provided for in Sections 25 through 26.1.

[AM. B/L 7397]
36.

The City will undertake annual internal reviews of the development charge calculations in addition to the detailed calculation review and updates every five (5) years. During annual reviews, if significant increases or decreases in capital costs are observed which would result in a 5% or greater deviation from current development charge rates, a detailed update to the development charges calculations may be undertaken prior to the 5-year period.

[EN. B/L 7397]
37.

Where a new capital project has been identified to be included in the Development Charges Capital Infrastructure Projects List (Schedule “E”) prior to the five (5) year review period, the project may be considered in accordance with Section 6 of this by-law following consultation with development and building industry representatives.

[EN. B/L 7397]
38.

If a capital project identified in Section 37 requires revision to Schedule “E” prior to the five (5) year review period, an update to the development charges calculations will be undertaken at the same time.

[EN. B/L 7397]
39.

If any provision of this by-law is declared invalid for any reason by a court of competent jurisdiction, all other provisions of this by-law shall remain valid.

[EN. B/L 7397]
40.

The Director shall prepare and adopt an administrative procedure to provide direction on how to administer the by-law.

[EN. B/L 7397]

DONE AND PASSED by the Council of The City of Brandon duly assembled this 17th day of December A.D. 2018.
