

Multi-Family Resident FoodCycler® Pilot Program

Decentralized. Simple. Built for everyday use.

The City of Brandon has partnered with Food Cycle Science to help residents in multi-family buildings (7+ units) divert household food waste. The FoodCycler® Eco 3 is quiet, compact, and odourless - turning food scraps into nutrient-rich soil amendment in just hours.

How To Join —>>

1. Register

Sign up online at
bit.ly/FoodCycler_Brandon

2. Purchase

Get your Grey Eco 3
for only \$100 (subsidized)

3. Divert

Process food waste
at home in the same day

4. Report

Track diversion for
12 weeks + complete survey

How It Works

Add Your Scraps

Add leftovers, shells,
peels & more into the
3.5L bucket.

Press Start

Let Vortech® grind
and dry waste in 4–9
hours.

Feed the Earth

Your result is nutrient-
rich Foodilizer®,
perfect for plants.
