# TREE CELEBRATION PROGRAM

Make a lasting, living  
gift to our  
community!

Trees can be sponsored for a variety of reasons including celebrating:

- ▶ Birthdays
- ▶ Graduation or Wedding
- ▶ In recognition of a deserving individual

## DONATE A TREE

A tree may be sponsored for a donation of just \$275.00 per tree.

All personal donations are tax deductible.

Receipts will be issued by the City of Brandon.

## GENERAL INFORMATION

Your donation covers the cost of the tree, planting, watering, and maintenance by City staff for a period of two years. After this time, care of trees is handed over to Mother Nature.

Donors will be invited to attend a small planting event for their tree(s) where they will receive a commemorative certificate and have their name added to a digital plaque on the City website.

Tree species, planting location, and planting date are determined by Parks & Recreation Services staff.

- ▶ In memory of a loved one (pets included!)
- ▶ As a corporate sponsorship
- ▶ To offset a carbon footprint

The City of Brandon's Tree Celebration Program gives you the opportunity to help beautify Brandon's green spaces now, and for generations to come.
